A RESOURCE FOR PASTORS & CHURCH LEADERS

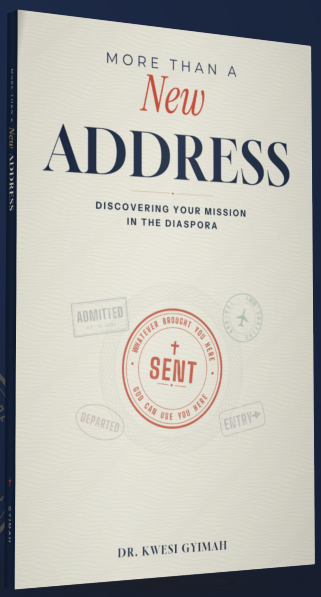

More Than a *New* Address

DISCOVERING YOUR MISSION IN THE DIASPORA

Whatever brought you here, God can use you here.

DR. KWESI GYIMAH

ABOUT THE BOOK

Many in our congregations know what it means to pack a life into a suitcase. Beyond finding work and settling their families lies a deeper question: *Now that I am here, how can God use me here?*

Drawing on his own journey through Ghana, Nigeria, Trinidad, the United States and Canada, stories from immigrant families and Philip's encounter with the Ethiopian official in Acts 8, Dr. Kwesi Gyimah helps Christians living between cultures see their neighborhoods, workplaces and churches as places of mission.

WAYS YOUR CHURCH CAN USE IT

- **Small groups:** a 4-week study (one part per week)
- **Leadership teams:** moving from immigrant church to missionary church
- **Youth & families:** faith for children growing up between two worlds
- **Newcomer ministry:** a welcome gift for new arrivals

Every chapter closes with simple practices—**Look, Listen, Go Near, Cross, Act** and **Pray**—ready for discussion.
